INTRODUCTION

“Learning to do, doing to learn, earning to live, living to serve”

FFA is a program for students interested in agriculture and leadership. This program is an intra curricular meaning you participate and are a member inside of school. Although, There is plenty to do outside of school hours as well for example, chapter meetings.

FFA stands for “Future Farmers of America” although not all students who join have to be interested in agriculture or farming. Many students aspire to become doctors, scientists, business owners, biologists, chemists, engineers and so much more. FFA is a organization for all students because it is committed to helping students

GREETING

The FFA motto “Learning to do, Doing to learn, earning to live, and living to serve”, to North FFA this is more than just a motto, it’s a lifestyle. This motto embodies the agricultural experience that is provided to every student in our FFA program. Here at North high we “Learn to do” by watching our competitive team members be fond of our chapter events whether we win or lose. We “do to learn” by “Following the leadership of our president” and compete to our fullest capabilities. Our FFA chapter teaches us a lot about “Earning to live” through our SAE projects on our school farm, whether it’s from us raising sheep or growing crops. We “Live to serve” by our continued assistance from alumni whether it is setting up for chapter activities or preparing for competitions.

North high competes in many competitions, including opening and closing, parliamentary procedure, and crop judging. We work hard, spend loads of hours and have fun as a team. There are always many things to participate in, from the north high farm cleanup to FFA chapter meetings. Some of our most memorable chapter meetings so far have included the Zumba meeting, where we hired an instructor in a beginners course of Zumba workout. Another meeting could be the
